

POLICY: ANIMALS (LIVE) IN THE CLASSROOM/SCHOOL

REFERENCE NO: P-AD-39

The Board will not establish an Animal Care Committee, as described in the Animals for Research Act (Ontario). As a result, only animals as specified in the administrative procedures to this Policy are allowed in schools (limited reptiles, amphibians, fish and invertebrates), where permitted by municipal law.

Activities such as 4H Clubs or Co-operative Education placements off school sites are exempted from this Policy.
