## COMMUNITY PLANNING AND PARTNERSHIPS ANNUAL MEETING

The vision of the Greater Essex County District School Board (GECDSB) is building tomorrow together – every learner, every day. Providing excellence in education means confident learners and ethical stewardship along with engaged communities.

In support of the Ministry of Education's Community Planning and Partnerships initiative, the GECDSB will explore opportunities to share facilities with community partners in order to optimize the use of public assets owned by the GECDSB, to the benefit of GECDSB, students and the community. Partners must be willing to execute a formal agreement reflecting a cost recovery model.

The Board has surplus space available at a number of schools.

A public information session to discuss potential locations for facility-sharing partnership opportunities will be held:

Date: November 21, 2018  
Time: 2pm – 4pm  
Location: GECDSB Administrative Building, 451 Park St. W, Windsor, ON.

Please RSVP to 519-255-3200 ext. 10204 or by email at [tammy-lynn.meloche@publicboard.ca](mailto:tammy-lynn.meloche@publicboard.ca)

Sincerely,

Cathy Lynd  
Superintendent of Business

Todd Awender  
Superintendent Responsible for Accommodations
