

Greater Essex County District School Board

Special Education Advisory Committee

Ontario Regulation 464/97 made under the Education Act requires school boards to establish a Special Education Advisory Committee (SEAC). The Board is looking for local associations to fill positions on the committee.

The **Education Act** defines a **Local Association** as:

...an association or organization of parents that operates locally within the area of jurisdiction of a board and that is affiliated with an association or organization that is not an association or organization of professional educators but that is incorporated and operates throughout Ontario to further the interests and well-being of one or more groups of exceptional children or adults.

A local association or organization may have various chapters. Only one representative from the association or organization within the geographical region of the Greater Essex County District School Board is permitted to sit on the Special Education Advisory Committee.

Local associations wanting representation on SEAC are asked to visit our website
