

December 4, 2020

Dear Bronco Families,

We are pleased to announce that the Windsor Essex County Health Unit has lifted the school closure order and Begley School is now open. Students will be able to attend Begley School in a staggered fashion as of Wednesday, December 9, 2020.

DATE	RETURNING CLASS
Wednesday, December 9, 2020	All Kindergarten students as well as the students of Grade 1 Elmi
Thursday, December 10, 2020	1/ 2 Thompso 2 Fitzsmmons (formerly Mr. Cousineau's class) 2/3 Elmi 2/3 Whittaker
Friday, December 11, 2020	3/4 Szalay 4 Archibald 4/5 Cirovski (Nantais-Therrien) 5 Denonville/Warnock 6 Gifford 6 Vacratsis
Monday, December 14, 2020	7/8 Boucher
	7 Reaume
	8 Issa

If your child(ren) received transportation services, this will resume on Wednesday, December 9, 2020 for those students who are attending school. An important change to note is that The Board Directors of the Windsor-Essex Student Transportation Services (WESTS) recently mandated that all students, regardless of what grade they are in, will have to wear a mask when riding any board provided transportation. Please ensure students are sent to their bus stop with a mask.

Screening your child before they come to school is important. Please refer to this link: <https://covid-19.ontario.ca/covid19-cms-assets/2020> . As well, we will be sending home a hard copy with each child for your use on a daily basis.

will be in school on Monday, December 7<sup>th</sup> and Tuesday, December 8<sup>th</sup>, but will continue their virtual teaching.

As student and staff safety is a priority, staff will be participate in receiving specialised training on Monday, December 7, 2020. All students will be assigned independent work from 1:20-2:20pm.

We will communicate via Edsby, so please do check often! Please do not hesitate to contact us at the school or via Edsby with any questions or concerns.

Let's work together to **Help Prevent COVID-19**.

- 1. Maintain a 2 metre distance from others.**
- 2. Wash your hands with soap and water thoroughly and often.**
- 3. Avoid touching your eyes, nose, and mouth with unwashed hands.**
- 4. Use a medical or non-medical mask (e.g, cloth) in public settings.**
- 5. Cover mouth & nose with a tissue or use the inside of your elbow when**

**you cough or sneeze.**

**6. Stay home and do not go to work or school if you are sick.**

Yours Truly,

Mrs. A. Miloyevich and Mr. T. Mosser
