Language in Daily Routines
Fun with Choices

A. "Interesting Ways to Say It" - Focus on a specific daily routine, such as brushing teeth, and have children suggest alternative phrases or actions. This helps children express themselves creatively and reinforces vocabulary.

B. "Core Communication & Speech Clarity" - Emphasize clear and concise language in daily activities. Use gestures and visual aids to support communication.

C. "Early Reading & Writing Skills" - Integrate reading and writing into daily routines, such as bedtime stories, to build foundational skills.
