GREATER ESSEX COUNTY DISTRICT SCHOOL BOARD PLAN IN ACCORDANCE WITH ONTARIANS WITH DISABILITIES ACT (ODA) FOR THE YEAR SEPTEMBER 2026 TO AUGUST 2027

The Ontarians With Disabilities Act 2001 requires that all public organizations such as municipalities, school boards, hospitals, universities, and colleges to prepare a plan that identifies measures the organization has taken to identify, remove and prevent barriers to persons with disabilities and consult with persons with disabilities and others in preparing the plan.

The Accessibility for Ontarians With Disabilities Act 2005 (AODA) empowers Regulation 191/11 “Integrated Accessibility Standards” that provides direction for the following areas:

1. Information and Communication Standards
2. Employment Standards
3. Transportation Standards
4. Design of Public Spaces Standards (Accessibility Standards for the Built Environment)
5. Customer Service Standards

The Greater Essex County District School Board (GECDSB) must publish this plan by September 30th of each year in accordance with the Ontarians With Disabilities Act. Every year the Ontarians With Disabilities Act Committee must update the plan for the next year.

The ODA Committee would like to provide an on-going opportunity for all staff, parents and community partners of the Greater Essex County District School Board to communicate accessibility concerns to the School Board. To share your suggestion and input, please use the following link:
