

Greater Essex County District School Board

Regulation: School Councils

Reference No: R-AD-03

School councils will provide a forum for people within a school community who are interested in public education to work cooperatively to develop common goals and plans to achieve these goals. Through the active participation of parents/guardians and the community, the council members' purpose is to undertake activities to assist parents/guardians of students at the school to support their children's learning at home and at school and to enhance the accountability of the education system to parents/guardians. The primary means of achieving the council's purpose is to make recommendations to the Principal of the school and to the Board for consideration and appropriate response.
