

GREATER ESSEX COUNTY DISTRICT SCHOOL BOARD

MEMORANDUM

DATE: June 16, 2020

TO: The Chairperson and Trustees of the
Greater Essex County District School Board

FROM: E. Kelly
Director of Education

S. Armstrong
Superintendent of Business

SUBJECT: Community Planning and Partnerships - Report on Potential Spaces Available

AIM:

To inform the Board of potential unused spaces that could be available for cost recovery/lease in compliance with Policy and Regulation Community Planning and Partnerships P-BA-30 and R-BA-30.

In compliance with the policy and regulation, the Board must annually hold a public meeting and notify certain organizations and groups of any unused space suitable for third party use, on a cost recovery basis, that is expected to be available for a number of years. The criteria for availability are that a school has, for two years or more, been operating at 60% or less of on the ground capacity and/or has 200 or more unused pupil places.

DISCUSSION:

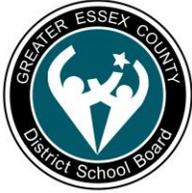

A Community Planning and Partnership Meeting was held on November 22, 2019 at the Board office. Invitations were emailed to the list of entities in Attachment 1. The public meeting was advertised through the local media, an email was sent to the organizations listed in Attachment 1 and the inclusion of the information was posted on the Board's website. This information session provided municipalities and community partners an opportunity to review the list of schools with available space in which a community partnership could be considered, while also providing an overview of the current state of the Board with respect to surplus space, aging infrastructure and the Board's fiscal responsibility.

The presentations from this meeting and resources related to community partnerships can be found on the Board's website at www.publicboard.ca/Community/Community-Partnerships/Pages/Community-Planning-and-Partnerships.aspx

The annual meeting for the 2020-2021 school year will be held in the fall of 2020 using a format that is conducive to any physical distancing requirements in place at that time.

Opportunities for partnership are reviewed by administration on an ongoing basis and organizations are contacted to further explore ideas.

Information about community partnerships remains on the Board's website and the community is encouraged to contact the Board to discuss any potential partnerships.

MEMORANDUM

Exclusions from the current list of available schools

The following schools have been excluded from this year's report of schools with available space as follows:

- General Amherst High School, Kingsville District High School, Western Secondary School and Giles Public School due to confirmed funding for replacement schools.
- W. F. Herman Academy due to specialized programs and the overcapacity in elementary which is taking up space in secondary.
- Westview Freedom Academy and Mason Centre due to specialized programs.

Available sites:

Schools currently available are noted in Attachment 2.

Existing Partnerships in Schools:

The Board already has a number of long-term agreements for space with a variety of organizations. Attachment 3 lists the current partnerships.

Impact of COVID 19 on Community Partnerships:

Due to the Ministerial order that all Ontario publicly funded schools be closed for the remainder of the school year, community use of schools was temporarily paused and child care centres were closed effective March 13, 2020. The resumption of community use of schools will be based on the Province's re-opening plan and guidance from the local public health authority. Child care centres are allowed to re-open on Friday, June 12, 2020 based on direction from the Province. The Board will work with child care partners to facilitate the safe opening of facilities within schools, and continues to communicate with its other community partners during this time.
