

GREATER ESSEX COUNTY DISTRICT SCHOOL BOARD

MEMORANDUM

DATE: June 7, 2016

TO: The Chairperson and Trustees of the
Greater Essex County District School Board

FROM: E. Kelly
Director of Education

C. Lynd
Superintendent of Business

SUBJECT: Community Planning and Partnerships - Report on Potential Spaces Available

AIM:

To inform the Board of potential unused spaces that could be available for cost recovery/lease in compliance with Policy and Regulation Community Planning and Partnerships P-BA-30 and R-BA-30.

BACKGROUND:

In compliance with the policy and regulation, the Board must annually hold a public meeting and notify certain organizations and groups of any unused space suitable for third party use, on a cost recovery basis, that is expected to be available for a number of years. The criteria for availability are that a school has, for two years or more, been operating at 60% or less of on the ground capacity and/or has 200 or more unused pupil places for two years or more. The public meeting was held on April 26, 2016 at the Board office.

Central Public School, Gordon McGregor Public School, General Amherst High School, Kingsville District High School, W. F. Herman Secondary and Western Secondary have been excluded from this year's report due to current involvement with or outstanding recommendations from Program Accommodation Reviews.

Schools currently available are: Gore Hill Public School, Marlborough Public School, Prince Edward Public School, Queen Victoria Public School, Belle River District High School, Riverside Secondary School and Westview Freedom Academy.

It should be noted that all schools may be subject to future Program Accommodation Reviews which could restrict availability within the next five years.

The Board does already have a number of long term agreements for space with a variety of organizations. Attached is a report regarding these current partnerships.
