

# THE ARTS @ BRDHS

**Belle River High School has a lot to offer your child through the arts.**

**We** offer drama, music, band, and visual arts from grade 9 through 12.

**At Belle River** we have an amazing studio that offers art students an opportunity to explore portraiture, graphic design, and tablet drawing in an organized professional setting. By offering our media arts, yearbook creation, and photography in the same year our students create a well-rounded digital portfolio in our Mac lab. By grade 12 your child can combine traditional art making processes and new media experiences together to create an amazing portfolio of artworks. For the student performer, we offer drama, music, guitar, and production in our new recording studio.

Through our inspiring selection of arts programs, we offer a successful **Arts & Culture SHSM** to prepare your child for a post-secondary education connecting them to any of the **Arts and Humanities** careers. To discuss our arts programs and or the SHSM Program, contact the Department Head, Tamara Cirino at 519-728-1212.
