

THE ARTS @ BRDHS

Belle River High School has a lot to offer your child through the arts.

We offer drama, music, band, vocals and visual arts from grade 9 through 12. For the student performer, we offer drama, music, vocal music, guitar, and band for credit.

We have an amazing studio that offers art students an opportunity to explore portraiture, graphic design and tablet drawing in an organized professional setting. By offering our media arts and photography in the same year our students create a well-rounded digital portfolio in our Mac lab. By grade 12 your child can combine traditional art making processes and new media experiences together to create an amazing portfolio of artworks. For the student performer, we offer drama, music, vocal music, guitar and production in our new recording studio. Through our inspiring selection of arts programs, we offer a successful **Arts & Culture SHSM** to prepare your child for a post-secondary career connecting them to any of the arts. To discuss our arts programs and the SHSM Program contact the Department Head, Tamara Cirino at 519-728-1212.

Our **Annual Arts trips** has been to places like New York City. Seen here are 80 students in Central Park, they enjoyed the Broadway show Wicked, art galleries, local attractions and a jazz show. We look forward to creating more trips and memories like this in the future.

We encourage our students to show their artworks and photographs out in the community, through our annual Arts Nights, and in public art galleries and on virtually platforms. Our Band, drama, and vocal students have an opportunity to perform in various school events and we are planning a play **"Shrek the Musical"** with our drama students.

We foster creative minds!
