We shared with the new Council the year is off to a great start. We have already participated in a “Meet the Staff” night, thank you to the Council and additional volunteers who were able help host.

Teams and clubs have begun again. The cross country and soccer teams have participated in full seasons. Students have engaged in extra curricular clubs and sports activities during nutrition breaks.

Jack Miner and the School Council are looking for volunteers for many of our events. If you have some extra time and are looking to contribute, please reach out and volunteer. More information will be share regard the different opportunities for volunteers.
