Kingsville District High School Registration

Dear Parents/Guardians of Grade 8 students:

Thank you for choosing Kingsville District High School. We are excited to have you join our Cavalier family. We take great pride in offering our students a wide range of subjects and an extensive program of extracurricular activities.

Please take time to review the Grade 9 course registration information on our Grade 8 Transition website as it outlines the various programs we have to offer and discuss with your child their choices.

Guidance staff will visit Grade 8 classrooms in January and February. Your child will be provided with instructions on how to complete course selections through myBlueprint at this time which they will bring home. Any additional information regarding registration process will also be provided.

We are looking forward to welcoming our new grade nines to Kingsville District High School, your Community School.
