A BIT OF HISTORY...

Lakeshore Discovery School was completed in February 2007. It replaced Puce Public School that was located at 962 Old Tecumseh Road.

The goal in designing the theme of this school was that everywhere students, staff or visitors look, there would be new and interesting things to discover. Our school board scoured the world in search of ideas and objects to include in the school. Some of the items contributed were by indigenous peoples living on a reserve in Saskatchewan, from artisans in St. Petersburg, Russia, from the dinosaur graveyards of Western Canada and the United States, from the plains of Africa, and the rain forests of Central America. We have literally hundreds of artifacts that have become part of our school. All these features and elements inspire wonder, curiosity, and discovery!

Dear Parents and Guardians,

Welcome to Lakeshore Discovery School! We are so pleased that you are considering to join our school community. We look forward to partnering with you to ensure the best possible education for your child.

Our staff takes great pride in instilling a love of learning in their students from the very first day. Our theme of 'Discovery' makes Lakeshore a unique facility that offers unmatched opportunities for students to discover throughout the building. More importantly, we have a caring and nurturing staff who will stay in close contact with you throughout your child's school years to ensure a strong home school connection.

At Lakeshore Discovery School we are known as the **RAPTORS**. This name not only fits with our Discovery theme but encompasses our character expectations: **Respect, Académiques, Pride, Teamwork, Optimisme, Responsabilité and Sportsmanship.**

We would encourage you to visit our website: www.publicboard.ca/en/lakeshorediscovery or our Twitter page @LDS_Raptors. Also, you can visit our school board's website www.publicboard.ca which has extensive information for parents.

WE ARE RAPTORS PROUD!

SCHOOL INFORMATION

OUR SCHOOL HOURS:

8:20	School begins
10:00 - 10:40	First nutrition break
12:20 - 1:00	Second nutrition break
2:40	School ends

SEVERE ALLERGIES

Several students and staff members in our school potentially have life-threatening (anaphylaxis) allergies. **We request that you refrain from sending ALL nut products and their by-products** to school with your child. **We are also a Scent-Free school.** We are asking students, staff, and parents to please not wear perfume or cologne. Thank you for helping to protect our students and staff.

NUTRITION BREAKS

Our school is on a balanced day plan. This means students will have two nutrition breaks. Healthy choices are encouraged. Avoid sending soft drinks, glass containers, and gum to school at all times. Lakeshore Discovery is an Eco-School; sturdy, non-breakable, reusable containers reduce waste and allow you to monitor how much your child is eating and drinking. Please help your child learn to open and close these containers independently.

COMMUNICATION

We use **EDSBY** as our main online school communication platform. We also use School Messenger to communicate directly to your provided email address. A lot of important school information is facilitated through these two platforms.

STUDENT TRANSPORTATION

You must apply for busing for your child through the school office. If you are registering with us for the first time, there is an application included in the online registration process. Once the office submits your bus application, you can then set-up an account on the www.buskids.ca website to obtain your child's bus information.

HOW TO REGISTER FOR SCHOOL ONLINE

Register Now

1. Go to our school board's registration website <https://register.publicboard.ca> and click on the blue "Register" button.
2. Fill out the registration screens completely until you reach the final confirmation page.
3. Once completed, our school will be notified. Our secretary will call you with further instructions to finalize your child's registration.

Documents you will need to provide for registration:
