Container Details:

Red & Blue Box Recycling

- For **Red Box** items as designated by the Essex Windsor Solid Waste Authority, i.e. paper, cardboard, magazines, newspaper, etc.
- For **Blue Box** items as designated by the Essex Windsor Solid Waste Authority, i.e. plastic food and beverage containers, glass bottles, etc.

Battery Recycling

Note: Fire Departments will only allow battery collection under the following conditions:

1. Batteries must not be collected in hallways.
2. Tape must be placed over battery contacts to prevent arcing.
3. Collect in sealed plastic bags and kept in heavy duty plastic or cardboard container.
4. Send batteries to the Kit Centre via the Board courier. Ensure that the containers is sealed, labeled as "SPENT BATTERIES" and ensure that it is no heavier than 10 lbs. or 4.5 kg.

Composting

If you are interested in hosting a composting program at your school, please contact Kathleen Quenneville to discuss available options at email above or ext.10560
