

Why Take BEMIO??

The Buzz on Biz Starts in Grade 9 with...BEMIO

The Grade 9: Building the Entrepreneurial Mindset course will teach students to:

- Develop their own entrepreneurial mindset.
- Understand the financial considerations of entrepreneurship.
- Use business software and applications to complete hands on projects.
- Plan and develop their ideas and learn how to present them to a target audience.

The entrepreneurial fundamentals and skills learned in this course will give you the tools to succeed in launching your own successful business and to thrive in the world of work.

BUSINESS COURSES

- Grade 10: BEP20** - Launching a Business
