Civics and Citizenship
CHV2OH (0.5 credit)

OUR VISION

The vision of the Canadian & World Studies program is to enable students to become responsible, active citizens within the diverse communities to which they belong. As well as becoming critically thoughtful and informed citizens who value an inclusive society, students will have the skills they need to solve problems and communicate ideas and decisions about significant developments, events, and issues.

SENIOR OPTIONAL COURSES

Why Choose Canadian & World Studies

1. Become a better citizen
2. Develop transferable skills
3. Foster a better understanding of our world
4. Become a part of the global community
5. Personal growth and appreciation
6. Explore employment opportunities

Specialist High Skills Major Environment

The **SHSM program** offers students experience in a field that they may be interested in pursuing upon graduation with their OSSD. Some benefits of this program include:

- A cooperative education placement related to their area of interest
- Experience in a range of customized learning opportunities in the area of health and wellness.
- Attainment of several training certifications (CPR, First Aid, WHMIS, infection control, athletic wrapping and taping, etc.).
- Opportunities to establish relationships and networks in their field of interest.
- Visits to postsecondary institutions with a specific focus in their areas of interest.
- Experiential learning opportunities in health and wellness at various locations in our community and region.

Experiential Learning
