Greater Essex County District School Board

Policy: Student Accident Insurance

Reference No: P-BA-18

The Greater Essex County District School Board does not provide accident insurance coverage for student injuries that occur on school property or during school activities, including extracurricular sports.

The Board, acknowledges that parents/guardians may want insurance protection for their children while at school or taking part in school activities.

The Board will make available to students and parents/guardians, a student accident insurance plan, through a third party agency, or to offer protection for most accident-related expenses resulting from accidental injury.

Greater Essex County District School Board

Regulation: Student Accident Insurance

Reference No: R-BA-18

1. The purchase by students or parents/guardians shall be voluntary

2. The Superintendent of Business shall review the insurance program annually and approve of the agency or agencies responsible for the provision of the policy.

3. The Policy shall not require record keeping by the Board.

4. Every effort shall be made to reduce the time and participation of staff in the distribution of applications for enrolment in the program. Information regarding the program will be made available electronically to students and parents/guardians.

5. The Board shall not be held responsible for the collection of funds relating to this Student accident insurance.
