## Enriched Program Application Guidelines

2018-2019

Please be aware of the parameters of applying to the Enriched Program when responding to parent/student requests and inquiries.

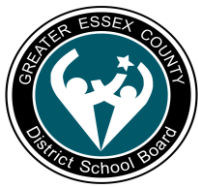

1. Our boundaries are closed to everyone out of district EXCEPT:
  - a. Students who are IPRC'd Gifted may elect to come here, having filled in an Out of District application noting GIFTED student; and, or
  - b. Students who are NOT Gifted, but with supporting data (C.A.T. scores, WISC, plus report card evidence) and after consulting with the grade 8 teacher, and the Elementary Report from the sending Principal for the student. Parents must be supportive of the transfer. This should all be attached to the Enriched Program Application.
2. Students must enrol in at least **TWO** of the four courses offered at the Enriched level in grade 9 (i.e. English, Math, French or Science). Transportation to and from Massey must be provided by the parents.
3. Such students, in order to remain at Massey, must continue to be enrolled and successful in at least **TWO** Enriched courses OR they will be required to **return to their neighbourhood high school**. The status of enriched students will be reviewed each year in the spring before courses are selected for the next academic year. However, we reserve the right to review placement in the program as needed if students are experiencing difficulties.
4. It should be noted that attendance of such out of district students does not permit their siblings to attend, unless they qualify in their own right.
5. Subject to the above, admission of such students is still at the discretion of the receiving Principal, based on the capacity of existing courses.
6. Reminder – Acceptance into the Massey Secondary School Enriched Program by a student not IPRC'd as Gifted, depends a great deal on how well the attached application is completed and supported with documentation. Any information related to academic achievement and social awareness is relevant.

I hope this clarifies the question of admission requirements for the **Massey Secondary School Enriched Program**. Please call or e-mail if further clarification is needed.

**Note:** All applications to the Enriched Program are due **no later than December 1<sup>st</sup> at 3:00 p.m.**

Thank you,

Mrs. J. Rankin, Principal  
2018-19 school year
