

Vincent Massey Secondary School Graduation 2021

Graduates and Parents:

As determined by the school board based on Ministry and Health Unit restrictions, graduation will be conducted virtually on Monday, June 28th at 6pm for Vincent Massey Secondary School via YouTube. The link will be posted to the school website and through Edsby. **All Massey students**, whether your model of learning was in-person or virtual, will be able to participate in the Massey graduation and are eligible to be valedictorian.

Cap and Gown information has been posted on Edsby and is also in the Graduation participation survey that is being sent. The school is providing some funds toward Cap and Gown for those that would like to purchase these.

The GECDSB is purchasing Grad lawn signs for each graduate. We will make announcements through Edsby regarding distribution.

Valedictorian information has been sent by Ms. Maddox in regards to nominees. Stay tuned to Edsby and your board email for voting.

A group of students are collecting photos to produce a graduate's memory montage to show during the graduation ceremony. Send your photos to: <https://forms.office.com/r/LTd3NrMxMH>
