

# SCHOOL CLIMATE SURVEY

The purpose of the school climate survey is to strengthen our system and our individual schools by celebrating our strengths, acknowledging our weaknesses and planning the next steps to promote safe, inclusive, healthy, and respectful learning environments.

## DATA FROM THE STUDENT AND COMMUNITY SURVEYS

### CONDUCTED IN THE WINTER OF 2019 INDICATES:

Academic success and all academic pathways are highly valued at Vincent Massey Secondary School. Students may take advantage of a variety of course options and pathways, all equally valued. Academic and personal supports are in place to increase academic achievement and personal well-being.

Students' post secondary planning and preparation are important. Potential barriers to this future success must be overcome.

Bullying and safety continue to be a high priority for students as well as staff and families.

More students are sacrificing physical and mental health for increase screen time on electronic devices.

### THE SURVEY RESULTS DEMONSTRATE A NEED TO REVIEW:

1. Student well-being and safety.
2. Student pathways and preparation for the future.
3. Communication strategies for expectations, resources, supports, and services.

### AS A RESULT OF THE SCHOOL CLIMATE SURVEY WE WILL:

1. Safety procedures and supports will be reviewed with the goal of increasing knowledge, safety, and comfort at school.
2. The benefits and requirements of each pathway will be communicated more effectively.
3. Tools for two-way communication between staff, students, and families will be utilized.
