

Student Supports Available

LST: Identified Students

- ✓ If you have an IEP and require extra help, you can ask your teacher to sign you up for Learning Support. You can also contact Ms. Munson or Ms. Couvillon through Edsby.

SST: Student Success

- ✓ If you do not have an IEP but need some additional help or need to catch up on your work in a particular class, you can ask your teacher for one-on-one support in Student Success. You can also reach out to the Student Success Teacher, Ms. Raymond, on Edsby to discuss support options.

ELL: English Language Learners

- ✓ If English is not your first language and you require some extra support in your classes being delivered in English, you can tell your teachers to sign you up with extra support in our ELL room. Ms. Dixon-Snaden and Ms. Russo are available to help you through Teams or in person to go over assignment expectations and provide you with additional time to process for tests and assignments.

CYW – Ms. Hanik

- ✓ If you are struggling with issues in school or in your personal life and need someone to talk to, use this resource that is available to you. Ms. Hanik is here in the building and is available to you on Edsby. Remember-Don't panic...call Ms. Hanik!

Homework Advisors – Virtual Help During Asynchronous Time:

- ✓ Monday – Friday 8:30am - 2:30pm

Send an email stating something like this:

Hello,

My name is Zara Zang and I am a student at Vincent Massey. I'm taking gr. 9 applied level math and need some help with factoring. The question asks me to *Factor the following polynomials (as fully as possible)*. This is the problem $x^2 + 3x - 10$. Can you help me understand?

Stangs Teaching Stangs Peer Tutoring Program-

- ✓ Meetings are set after school hours at times that work for both the tutor and the student in need of support

If you are struggling in any subject and would like to meet with a student who is proficient in this subject area, please contact Mrs. Raymond on Edsby. She will match you with a student from a bank of tutors and will set up a chat group for the two of you to communicate back and forth on Edsby. You can discuss the platform, days and times that you would like to meet.

Virtual School Tutoring Program-

- ✓ The GECDSDS Student Success department is offering on-line, after school learning opportunities for secondary students in the GECDSDS Virtual School. Four days each week from 3:30 - 4:30 p.m. students will be provided with help:

Mondays - Math

Tuesdays - Social Sciences, Business, Arts & Phys. Ed

Wednesdays - English & French

Thursdays - Sciences

All Virtual School students have access to these opportunities through Brightspace.

For information contact Ms. N. Jones on Edsby.

Math Help

- ✓ Option 1: Build your math skills and confidence with a personalized math coach. To support learning at home, tutors are available online Monday-Friday 9am to 9pm ET and 3:30pm to 9pm ET Sunday. Sign-up, choose a tutor, and get started.

<https://www.tvomathify.com/students>

- ✓ Option 2: There is specific math help available to you through the public board as well. Please see the following. The contact information is at the bottom.

Math

Advisors

Marc Beaudet & Silvana Nawalany

Below is a list of how Marc and Silvana can help our educators, students, and parents.

- 
3 for 30
 Advisors can connect with 1-3 students for 30 minutes during asynchronous/synchronous times to close gaps, review concepts, homework, etc.
- 
Email Support
 Advisors can continue to offer support via email. Reminder to attach information about topic/question (ex. screenshot).
- 
Classroom Breakout Rooms
 Advisors can join classes via breakout rooms. Goal is to work with students individually or in small groups to address curriculum needs.
- 
LST/SST Support
 Advisors can work closely with LST and SST's to support all student needs.
- 
Personalized Programming
 Advisors can work directly with teachers to develop individualized plans to address learning gaps.

For more information or to schedule a meeting please contact
