Mental Health Resources

[Bounce Back](#)

Bounce Back is a free skill-building program managed by the Canadian Mental Health Association (CMHA). It is designed to help adults and youth 15+ manage low mood, mild to moderate depression and anxiety, stress or worry. Delivered over the phone with a coach and through online videos, you will get access to tools that will support you on your path to mental wellness.

[Anxiety Canada](#)

Access interactive anxiety tools and resources for children, youth and adults:

- Information to help youth manage anxiety plus info and self-help strategies for several disorders
- Practical strategies and tools to help you manage your child's anxiety
- Coping with COVID-19 resources

[Ministry of Ontario Mental Health Services During COVID-19](#)

Mental Health, Wellness, and Addiction Support

- Find public mental health and addictions programs
- Connect with peers for support
- Access self-led telephone or online therapy for stress, anxiety, and depression
- Find culturally appropriate support for Indigenous people

[Jack.org](#)

Jack.org is Canada's only charity training and empowering young leaders to revolutionize mental health in every province and territory. Through [Do Something](#), [Jack Talks](#), [Jack Chapters](#), and [Jack Summits](#), young leaders identify and dismantle barriers to positive mental health in their communities. And through ambitious innovations in youth mental health like [Be There](#), we give people the mental health resources they need to educate themselves.
