

SCHOOL CLIMATE

SURVEY

The purpose of the school climate survey is to strengthen our system and our individual schools by celebrating our strengths, acknowledging our weaknesses and planning the next steps to promote safe, inclusive, healthy, and respectful learning environments.

DATA FROM THE STUDENT AND COMMUNITY SURVEYS

CONDUCTED IN THE WINTER OF 2019 INDICATES:

Over 90% of Students reported that PASS helps them understand their next steps in their pathway.

Students report a significant increase in the availability of courses to prepare them for life after school.

Students feel they are performing well in courses

Our schools students recognise how to deal with mental health issues and have someone they trust in the building to speak with.

Student feel safe in our school.

THE SURVEY RESULTS DEMONSTRATE A NEED TO REVIEW:

Our survey suggests a review of subject matter to include a greater diversity of people's race, gender, culture and abilities.

Our students sleep patterns, as reported, show only 28% sleep 8 hours or more each night with 50% reporting they only get a good nights sleep less than 3 nights per week.

AS A RESULT OF THE SCHOOL CLIMATE SURVEY WE WILL:

Continue to support school and community initiative related to wellbeing and building positive self-esteem.

Ensure we refer to all peoples in our learning practices and subject matter.

Continue to work with our student to provide supports for healthy lifestyles and education on nutrition, screen time and sleep to support healthy living
