MALDEN CENTRAL PUBLIC SCHOOL

SEPTEMBER NEWS

## From the Principal's Desk

It has been wonderful having the students back at school! Our first few days have been very smooth with routines being developed and our staff getting to know their students.

September is always a busy month as we get many of our programs underway.

We are extremely happy to welcome new staff to the school this year. Joining us are Mrs. Little who is teaching grade 4 and Mrs. Dupuis who is a Developmental Services Worker.

We are in the process of submitting the number of students that we have in each grade. Based on those numbers some students may have to move classrooms. If that occurs, parents will be notified by Friday, September 13th.

If you do not hear from us, your child will remain in their current classroom.

We will be having our annual Meet the Staff BBQ on Wednesday, September 18th. We will once again be providing free hot dogs, chips and water to our families. A form will be coming home next week asking for an RSVP. Please fill in one form per family and return it to the school. We look forward to a great turnout once again and value your partnership with us.

Our first school council meeting will be held in our staffroom on Thursday, September 12th at 6:15 pm. We are very grateful to have a thriving school council. New members are always welcome and encouraged to come out. Several mem-

bers of our council including our school council chair have moved on and we will be looking for new parents to fill this void. During this first meeting, we will have elections for various council positions. If you are interested in running for a position, please fill in the nomination form on the next page of this newsletter and send it into the school by September 18th.

Thank you once again parents for an excellent start to our school year!

Sincerely,

Mr. J. Oldridge  
Principal

# Student Class Placement Reminder

Each year as we head into September, our enrollment numbers in certain grades often fluctuate depending on new registrations or families who may have moved, which may cause changes to class placements. We have been fortunate this year to welcome some new families to Malden. Please remember that student class placements will not be finalized until Monday, September 16th. Selection of students is done with careful consideration and emphasize the needs of students. We always do our best to make any class changes as smooth and as comfortable as possible for any students affected and appreciate your understanding during this time.
