

GRADE 9 COURSE DESCRIPTIONS

Grade 9 Integrated Arts: (ALC10) NO EXPERIENCE NECESSARY!

This course integrates the arts that are offered at WCI (dance, drama, media arts, music, and/or visual arts), giving students the opportunity to produce and present integrated art works created individually or collaboratively. Students are given the chance to explore different art forms to help them decide an arts pathway for grades 10, 11 and 12.

VISUAL ARTS - Open (AV110) NO EXPERIENCE NECESSARY!

This course is exploratory in nature, offering an overview of visual arts as a foundation for further study. Students will become familiar with the elements and principles of design and the expressive qualities of various materials by using a range of media, processes, techniques, and styles. Students will use the creative and critical analysis processes and will interpret art within a personal, contemporary, and historical context.

OUR department has amazing options for every student's interest!

For the experienced student to the student who has never explored anything creative!

Students in our Arts courses have opportunities to explore the arts inside and outside the classroom setting.

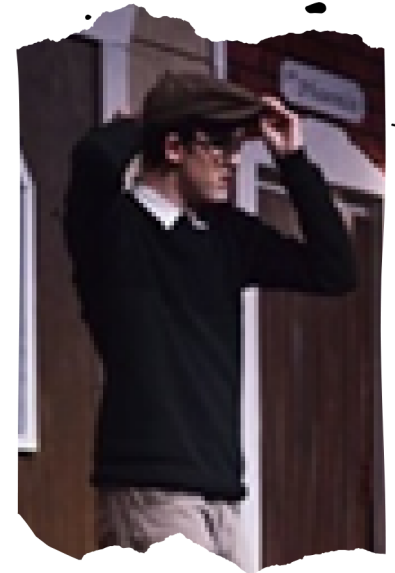

These include art trips, plays, art galleries, concerts, and dance performances.
